INTRODUCTION

Welcome to a bigger and better school. Alhamdulillah, we begin this year with better organization and readiness as Al Mustafa Academy takes on the shape of a registered private school.

In making schools successful, the key stakeholders are the students, school staff and parents. It is absolutely vital that communication and interaction between these stakeholders takes place often, is effective and productive for our students.

Therefore, the school has developed the *Parent & Student Policy Handbook* to help strengthen the link between students, parents and school staff. The handbook has been formulated to assist parents and students with the policy and procedures of the school and to disseminate Al Mustafa Academy's expectations to our key stakeholders

Please read the manual carefully with your child. Please take time to read all of it as it may answer many of your queries. You are encouraged to keep it in a convenient location for use throughout the school year. A copy of the manual is also available at our website at www.almustafaacademy.ca

After reading, **please sign the Parent Contract and return by September 30, 2023.**

Please note that there is one form per family. **Failure to sign and submit the contract means that your child(ren) will not be registered at the school.**

We look forward to working closely with you in making this year a wonderful and fun year for your child(ren). Insha'Allah, we will have a successful year together- Ameen.

About Al Mustafa Academy

Al Mustafa Academy is a fully accredited private school registered in 2008 as a nonprofit organization where students from KG-Grade 12 are taught the Alberta Education curriculum along with Hifz, Arabic Language and Islamic Studies. We encourage extracurricular activities such as speech class, Quran competitions, participation in science fair, and various other cultural festivals & field activities etc.

Each student has a latent potential to become what they want. Al Mustafa Academy will help you to bring forth your child's hidden potential with our unique program that aims at bridging the gap between the physical (dunya) and metaphysical (Al Akhirah). All students need to do is to follow our set guidelines. You have joined Al Mustafa academy with a distinct purpose and unwavering determination to become Hafizul Quran and professionals like scientists, doctors, engineers, pharmacists, journalists, lawyers and whatever you dream of becoming.

By choosing Mustafa Academy as your school, you are embarking on a new journey. Our school starts from 8:00 am and goes till 3:00 pm. Students start their day with the study of the Quran from 8am-10am. They also study Arabic Language as a curriculum. All classes are taught by professional and licensed teachers. We also provide a schedule for weekends, students need to study and review the Quran for 2 hours, 1 hour for Arabic Language and 2 hours for academic school work. This is followed up by the teacher. We encourage students to study two hours every Monday to Thursday at home, one hour for academic studies and one for Quran. Apart from Quran and Arabic, we are required to provide 960 academic instructional hours and 200 hours for gym and extracurricular activities as set out by Alberta Education. For advanced students we offer an enrichment program where students can learn at a quicker pace.

Children have great potential, from the age of 5-15 are formative years for them and it is up to the parents and institutions to help shape their future using the proper tools. As Muslims it is our responsibility as parents and educators to provide a balance between this life and the hereafter. We should set balanced goals for our children, where they excel in this life while keeping a strong hold of Allah.

We currently have around 600 students and 57 teaching & academic support staff. We are located at 7814-83 Street, NW & 11515 - 71 Street, NW, Edmonton Alberta.

All our past graduates have successfully completed high school and went on to post-secondary studies. They have gone on to study Engineering, Medicine, Business and Pharmacy and they are hafiz leading tarawih at different mosques in Edmonton for the last 5 years.

 - be diligent in pursuing his/her studies; attend school regularly and punctually ·
 - co-operate fully with everyone authorized by the board to provide education programs and other services
 - comply with the rules of the school; account to his/her teachers for this conduct

Grievance Resolution Procedure

Al Mustafa Academy will do its utmost to ensure harmony and cooperation between all. In the event that there is a grievance which is at an impasse, the following diagram indicates the process for resolving/reporting the issue.

ATTENDANCE

Regular attendance and punctuality on the part of the student is an important component of the learning process and student achievement. All teachers will keep attendance. Attendance and late records will be recorded on the report cards. Consistent tardiness and/or absenteeism are possible grounds for suspension from school.

Extended Absences During the School Year and Homework

If parents choose to take their child out of school for an extended holiday, the school cannot provide the exact academic activities that replicate the missed schoolwork. Responsibility for this decision must rest with the parents. Any academic arrangements must be made with the teacher directly.

Please note that if your child is absent for an extended period of time assessment in all areas of the curriculum may not be possible and this may result in some blank areas on your child's report card.

Please complete an extended absence form found in the office if your child will be absent for more than 1 week of school. The form is available at the office.

Lates

Parents are asked to send a note in advance or call the school by 8:00 a.m. if their child is to be late. Students who arrive late must obtain a late slip from the office. This slip must be given to the teacher. When arriving after 9:00 a.m., a parent or guardian must also record the arrival time in the sign in/out book. If you know of an upcoming lateness (e.g., an appointment), please communicate this to the homeroom teacher in advance.

Absences

Parents are asked to call the school by 8:00 a.m. or send a note in advance if their child is to be absent. To avoid congestion on the phones between 8:00 a.m. and 8:20 a.m., parents are encouraged to leave a voicemail message at their earliest convenience in the morning. When making outside appointments, parents are asked to be considerate of the child's school schedule and arrange appointments during non-core time when possible. Parents are to meet their child in the office to sign them out.

Extended Absences

If a student is to be absent from school for an extended period of time, the principal and teacher should be informed **in writing**. At least a week's notice is expected so that the necessary materials can be collected. It is the student's responsibility to complete and hand in all work that has been assigned during the time away from school.

Injury or Illness at School

If your child is too ill to follow the daily routines, please keep him/her at home. If your child becomes ill or injured at school, we will make every attempt to contact you or you are designate to determine an appropriate course of action. If the injury is serious, he/she will be taken to the hospital. If a student becomes ill while at school, parents may be asked to pick the child up or arrange for transportation.

It is critical that emergency contact information be kept up to date.

Emergency Contacts

Please ensure that the school is notified immediately with up-to-date information if there are any changes to information including address, telephone numbers (work, cell or home), emergency contacts, and medical contact and custody arrangements.

CUSTODY RIGHTS

Where parents are separated or divorced, the school should be clearly informed of custodial rights so that there is no question about which parent has the right to pick up the child from the school. Any legal documents will be kept on file.

SAFE AND CARING POLICY

A policy aimed at providing a safe and caring learning environment under Section 45.1(2) of the *School Act*. In addition, schools are expected to have in place a student code of conduct. Section 45.1(3) goes on to stipulate that the student code of conduct must:

- be made publicly available,
- be reviewed every year,
- be provided to all staff of the board, students of the board and parents of students of the board,
- contains the following elements:
 - a statement of purpose that provides a rationale for the code of conduct, with a focus on welcoming, caring, respectful and safe learning environments; one or more statements that address the prohibited grounds of discrimination set out in the *Alberta Human Rights Act*;
 - one or more statements about what is acceptable behavior and what is unacceptable behavior, whether or not it occurs within the school building, during the school day or by electronic means;
 - iv. one or more statements about the consequences of unacceptable behavior, which must take account of the student's age, maturity, and individual circumstances, and which must ensure that support is provided for the students who are impacted by inappropriate behavior, as well as for students who engage in inappropriate behavior, and
 - e. be in accordance with any further requirements established by the Minister by order.

TOLERANCE

The encouragement, development or fostering of attitudes and behaviors such as hate, bias, racial intolerance, name calling is not tolerated in the Al Mustafa Academy especially as it is an Islamic school. Any student or teacher engaging in this type of behavior will be subject to discipline by the administration.

SEXUAL HARASSMENT POLICY

Based on the spirit of Islam, there will be absolutely no physical contact whatsoever between male and female students and/or male and female students and staff at any time. Any advances or contact, whatsoever, whether wanted or unwanted, will be construed as sexual harassment and will be cause for immediate and permanent expulsion from the school.

HOMEWORK POLICY

Students at Al Mustafa Academy can expect homework every evening throughout the school year, beginning at kindergarten. Support for education must be provided at home and is directly related to a child's success at school. We expect parents' support and endorsement for homework time, and encourage them to take an active role in assisting their child to complete all assignments on time.

It is the responsibility of the student and parent(s) to inform teachers of classes that will be missed. Arrangements will then be made to deal with work that the student will miss. If a student is ill, it is his/her responsibility to make up any missed work upon his/her return. Families are advised not to arrange holidays during the school term as the absence disrupts the child's studies.

Incomplete assignments will be recorded and form part of a student's term assessment. Teachers may also keep students in at recess, noon hour or for an after-school detention to finish incomplete homework assignments, so that each child continues to progress with his or her class. Should a student consistently choose not to complete homework assignments, his/her continued attendance at Al Mustafa Academy will be reviewed.

FOOD POLICY

Lunch

Students eat lunch in designated lunch areas, usually their classrooms. Microwaves are available.

Junk Food

Lunch is the fuel for their afternoon. If you put junk in, then the students tend to not have the energy needed to continue with the day. **Healthy lunches do not include** items such as chocolate in any form, gum, candy, soft drinks, or potato chips. If you feel the need to send a treat, try items such as a piece of fruit, a muffin, a small pudding, or Fruit to Go.

FIELD TRIPS/ OFF-SITE EXCURSIONS

Rationale

Off-site excursions and field trips allow students to:

- be presented with experiences not available in the regular classroom
- reinforce, support, extend and enhance the concepts they have learned in their classes · relate their classroom activities to everyday life
- understand that learning has application
- have the opportunity to learn from others who have expertise in a particular field · participate in hands-on experiential learning
- better familiarize themselves with the resources available in the community · find out and explore more about potential careers and employment opportunities

Guidelines for Field Trips and Off-site Excursions

- Parent consent forms will be sent home at least three to five days prior to the excursion. · All consent forms must be signed and returned at least 24 hours prior to the trip, or by the date stipulated on the notice. Handwritten consent notes may be accepted depending on the type of excursion being undertaken.
- **Telephone consents will not be permissible.**
- Only a parent's or legal guardian's signature is acceptable on the consent form. · The cost of transportation, as well as other incidental expenditures that might be necessary, must be paid in advance of the trip.
- Volunteers must adhere to the school's Islamic dress code on all excursions and field trips.

ASSEMBLIES AND SPECIAL EVENTS

Assemblies will be held on Friday. The purpose of assemblies is to enhance school spirit within the school community, to do group Duala' and Recitation and to showcase learning. It also provided an opportunity for students to build confidence in public speaking and to share their talent with the rest of the school. Assemblies will also be used to inform the student body of current events within the school environment and to celebrate successes. As such, students and parents are expected to behave in a manner benefiting a Muslim gathering. Other special events will be announced where students will be performing and parents will be invited to attend. When attending these functions all parents must adhere to the school's Islamic dress code.

MEDICAL CONCERNS AND EMERGENCY SITUATIONS

Any medical problems or medication requirements should be recorded on the medical section of the application update form each year. Parents are also required to inform the classroom teacher of any health concerns. The school office will keep this information on file. Parents are encouraged to keep Al Mustafa Academy informed as to changes in the medical condition of the student, as well as to any other changes in family or personal circumstances which impact the student.

Minor Medical Concerns

The school is modestly equipped with a medical room and a basic first aid kit. Small cuts and scrapes can be dealt with at school. If in doubt, staff will err on the cautious side and seek medical attention. Students who feel unwell during the day must report to a teacher who may send them to the office or may decide to send them home after contacting the parent.

Major Medical Concerns

If the medical issue is one that cannot be handled by the school, the parents will be telephoned immediately for pick up from the school. In the event of a more serious injury, when parents are unavailable to transport their child to hospital, an ambulance will be called. The responsibility of Al Mustafa Academy ends as soon as the child enters the care of a qualified doctor or a hospital, and the sole remaining duty is to continue efforts to contact the parents if such has not been done before.

Medications

Students taking medication on a regular basis must have this documented in their student file. The homeroom teacher must be notified. Students on short-term medication must present a note to the homeroom teacher informing them. It is the sole responsibility of parent and student to ensure that medication is taken. Teachers will monitor the student to ensure proper doses are taken. Al Mustafa Academy is not responsible for any medications taken by a student that were taken without prior knowledge of the teacher. For severe allergic reactions, the parents are to provide the epi-pen with a doctor's note and instruction on administration.

Vaccinations

Al Mustafa Academy works with the public health nurse to provide vaccinations for students. Notification of vaccination dates and authorization slips are relayed via student pamphlet.

Contagious Diseases

If there is a student who contracts a contagious childhood disease, Al Mustafa Academy will follow the Capital Health Policy which states, “Certain diseases require that a student be in quarantine, directed and supervised by a physician. The student will be permitted to return to school with appropriate (written) physician authorization. All classmates’ families will be notified of this potential for contagion.” It is the parents’ responsibility to arrange for pickup and delivery of student work during the period when the student is absent.

Head Lice

Please inform the school if your child has this problem so that we may prevent the spread of lice to other students. The best way to prevent the spread of lice is to encourage your child to avoid sharing combs, hats, scarves, etc. If your child has head lice, you must provide a medical note before he/she will be readmitted to school.

Periods of Exclusion

Children with the following diseases should remain at home and away from others:

Disease	
Chickenpox (varicella)	Until well enough to participate in all activities regardless of the state of the rash.

CARE OF TEXTBOOKS AND CLASSROOM EQUIPMENT

Textbooks and equipment used in our programs are costly. It is the responsibility of each student to handle textbooks and equipment with care. Parents will be required to pay for the replacement of any textbook or equipment damaged or lost by their child.

VISITORS

All visitors are asked to report to the school office. To ensure proper attention to the concern at hand, visitors should make an appointment through the office with the appropriate person. Though an attempt will be made to accommodate unscheduled visitors, it may be necessary to ask the visitor to return when an appropriate appointment has been made.

Parents are generally welcome to visit classrooms where their child is in the class, however, parents should contact the teacher to schedule the visit at a mutually convenient time. When visiting the school for any purpose parents must adhere to the school's Islamic Dress Code.

All deliveries to the school are made through the front door, with all delivery persons checking in at the main office. Parents should avoid disrupting classroom activities to speak with teachers concerning their child's progress.

During school hours, all visiting adults must sign in and out at the office. All visitors must use the front door, report to the office and wear a visitor badge while they are visiting the school.

ARRIVAL AND DEPARTURE

Al Mustafa Academy is concerned about safety when students are being dropped-off and picked up by school buses and parents. To minimize the dangers and hazards as much as possible parents are asked to:

- give priority and yield to the school buses
- use and make their children aware of safety procedures such as crossing the street · obey all posted traffic and parking signs
- watch for students who may inadvertently dart out from between vehicles · be respectful of other drivers and the community

Morning Drop-off

Parents are requested to drop off their children between 7:50 a.m. and 8:00 a.m. Access to the buildings is not available to students before 7:50 a.m. unless a prior arrangement has been made with the school office. Students are **not** to be dropped off at school before 7:50 a.m. unless they are specifically at the school for a **pre-arranged activity** under the **direct supervision of a teacher**. We ask parents to be aware of the issues of liability – leaving your child at school before 7:50 a.m. without any contact with a school authority is negligent. The school will not be held accountable for such decisions.

School buses will be pulling into the designated bus parking area to drop-off and pick-up students. Parents are asked not to obstruct the buses in any way. To ensure the safety of all Al Mustafa Academy students, parents who are driving their child(ren) to school are requested to park away from the school. Younger children should be accompanied to the appropriate door. Older children are asked to walk safely to the appropriate door using the sidewalks.

Afternoon Pick-up

Parents are asked to refrain from coming to the classrooms earlier than this time as it is disruptive to school proceedings. The school cannot provide supervision for children left outside after 4:00 p.m. and therefore cannot be responsible for students after this time. Please ensure that travel arrangements for students are arranged for and shared with your children in advance.

Parents are kindly requested not to use drop-off or pick-up times to engage teachers in lengthy conversations concerning student progress. Teachers are always willing to discuss student progress, but at a mutually convenient time. Parents are requested to arrange an appointment for such matters.

PARKING

BUS TRANSPORTATION POLICY

Bus transportation is a service Al Mustafa Academy chooses to offer families. It is not mandatory; it is a privilege to the families. This privilege should be respected and can be revoked based on failure to comply with the rules outlined. The school may use its sole discretion in determining who will be allowed to ride the bus.

Procedures

In the morning, students must be ready 5 minutes before the bus is scheduled to arrive at the pickup location. The bus follows the same route in the afternoon, in reverse order.

Please encourage your children to display their excellent, caring behavior on the buses. The driver is in full charge of the students when they are riding the bus. The students must obey the driver promptly. In cases where teachers or school administrators are on the bus, they are also authorized to enforce student discipline.

- Students may not get on or off the bus or move about within the bus while it is in motion. · Riding the bus to and from school is a privilege and a convenience provided for the student. Appropriate student behavior is expected so that the bus driver can attend to the primary task of driving the bus. Should the bus driver be distracted by misbehavior, the student can be suspended from riding the bus.
- The principal may deny a student transportation if his or her conduct warrants such action. In such a case, the parents become responsible for seeing that the student has transportation to and from school.

Before the bus arrives

1. Arrive at the pick-up spot five minutes before the bus.
2. Wait off the roadway, not in the street.

3. Walk to the assigned seat and stay there. Do not stand or move around while the bus is moving.
4. Do not talk to the driver unless it is an emergency. Drivers need to keep their minds on driving and their eyes on the road.
5. Talk quietly to friends so the driver can hear traffic sounds.
6. Keep arms, feet and schoolbooks out of the aisle.
7. Do not open or close windows.
8. Keep hands and head inside the bus. Do not throw anything out the window.
9. Loud yelling or profane language is not permitted.
10. Do not deface or litter the bus.

Bus safety is an important topic to be considered as your child begins school. Each parent should take precautions to make sure that all children know the rules and regulations designed for safe bus transportation.

Improper use of language, rude or disruptive behavior will be dealt with in the following manner.

1. Verbal warning
2. Phone call to parents
3. Meeting to resolve the issue
4. Bus suspension if necessary – short-term or permanent

COMMUNICATION

At Al Mustafa Academy we believe in open and honest communication. If you have a question or concern, please do not hesitate to contact school administration. The following is the recommended protocol.

- Should the question/concern be directly related to the delivery of an academic program, parents are asked to speak to the teacher concerned.
- Should the response/resolution not be satisfactory, then a parent is asked to contact the principal.
- Should the question/concern be general in nature about the overall operation of the school, please contact the principal.
- Should the question/concern be related to payment of fees, please contact the principal · Should the question/concern be about admission/withdrawal, please contact the school Principal.

Newsletters

Newsletters will be sent home quarterly. Notice of special days, concerns and general school news are included. As our newsletter is an important means of communication, we ask all families to read the newsletters to become familiar with events and activities within the school community.

Agendas

Each student in Grades KG to 12 has an agenda booklet. This booklet can be used to help students record daily homework assignments, forthcoming tests, school events, and notices. It is also an effective means for teachers and parents to communicate with one another in writing. All students are encouraged to develop the habit of using the agenda effectively.

Notices

Notices are sent home via students, as need dictates. Please check with your child on a daily basis to ensure that all notices are delivered. For families with more than one child attending Al Mustafa Academy, our goal is to send home one notice per child, with the eldest child, unless there is a need for each child to have something signed. Notices can also be e-mailed if parents advise the school office of current e-mail addresses.

Appointments

Parents or teachers may contact each other to arrange a meeting. If you would like to initiate a meeting with a teacher, please call the main office to leave a message for the teacher. Please be advised that although teaching time finishes at 3:00 p.m., teachers are often busy with after-school activities. A scheduled appointment ensures that your concern will have the proper amount of time, preparation, and attention.

Phone Calls/Cell Phones

Telephones in the school office are for business purposes only. Students will only be allowed to use the phone in an emergency. Please make all arrangements for drop-off, pick-up, and appointments prior to the school day.

If a parent wishes to have their child bring a cell phone to school, it is with the understanding that the cell phone must be kept in the locker at the front desk and switched off for the entirety of the school day. Cell phones are only to be used by students in an emergency before/after school.

Students who do not comply with this policy will have their cell phones confiscated.
