May 1st week **Notification of entrance**

Based on the entrance conference, two samples of work that are brought to the conference, Grade10 marks to date, and the two teacher reference forms, AL Mustafa Academy will accept a maximum of 25 students to begin their IB preparation year in Grade 11. Students will be notified of acceptance or non-acceptance in April (though due to the school division’s alterations to registration, this may be delayed). We ask that students accept our invitation and commit to join the AMA IB Programme, or decline, in a timely manner, so we are able to fill all 25 spots available.
